

## TRIPOLI

Tripoli (formerly known as Tripolitsa and Trompolitsa) is the largest city in central Peloponnese and capital of the prefecture of Arcadia. Located at an altitude of 660 meters in a central plateau, is surrounded by the Mountains Mainalo, Taygetos, Parnonas and Artemision.

The city is a creation of modern times. The first reference to the name of Tripoli is made in the year 1467. It is a modern city with all the elements that characterize it as such.
